Happy Halloween!	10/31

6th/7th Grade News

Guidance lessons will soon begin if they haven't already! Counselors will do our best to schedule lessons with teachers at their convenience. Remember—if a teacher knows in advance that he/she will be out, you can check with the counselor to see if that date would work for a Guidance lesson. Thanks!

As always, please let Guidance know if you notice any students having any difficulty with the transition. This can include lack of social interaction, poor work completion, increase in absences, and lack of engagement in the classrooms. We also have extra backpack and supplies in Guidance for those who may be in need.

8th Grade News

High School Visits

Guidance has already booked presentations from Mercy, Xavier, Notre Dame, and Sacred Heart. The presentations will be for 8th grade students interested in learning more about what these high schools have to offer. The dates for each school's presentation are listed under

'Important Dates'. Interested students should sign up with their homeroom teachers and passes will be issued. Lyman Hall's Agricultural Education and H. C. Wilcox will be presenting to the entire 8th grade on October 2nd. Students wanting further information on these schools can attend open houses. Open Houses for these schools are listed to the right.

All Grades

School Counselors

Grade 6 Mrs. Barber-Devine
Grade 7 Mrs. Funaro
Grade 8 Mrs. Baker

OPEN HOUSES

Sacred Heart—Oct. 19 (1-3)
